EDUCATION

University of Illinois Urbana-Champaign - B.S. Systems Engineering, Minor in Business, GPA 3.83 | Illinois, U.S. | Sep 2024 - Expected May 2028

Singapore American School - High School Diploma | Singapore | Sep 2020 - Jun 2024

PROFESSIONAL EXPERIENCE

N1AC (Angel Investor Collective) | Hybrid, U.S.

Angel Investor | Partner | Feb 2026 - Present

- Work with former YC China founding-team member Kehan Dong to source and evaluate early-stage startups and emerging founders.
- Reviewed 200+ pitches across founder quality, differentiation, market potential, traction, competition, and investment risk.
- Support selected founders with diligence, positioning, fundraising strategy, and introductions to investors and operators.

IVY Capital | Shanghai, China

VC Analyst Intern | Jun 2026 - Jul 2026

- Led a four-person investment study on space data centers and presented findings at the firm's quarterly meeting.
- Evaluated 30+ startups and advanced three to meetings with senior investors; built relationships with 75+ ecosystem participants.
- Won the firm's Most Practical AI Award for an investor-relationship and follow-up tracking agent.

PwC | Hybrid, China

Business Consulting Intern | Jun 2026 - Jul 2026

- Analyzed the business model, portfolio, financial performance, competitive position, and risks of a Chinese OTC pharmaceutical company.
- Developed a nationwide expansion strategy covering distribution, pharmacies, e-commerce, O2O delivery, positioning, compliance, and CRM digitalization.

Azura de Maison | Illinois, U.S.

Co-founder | Sep 2025 - Present

- Launched UIUC's first premium online bouquet brand for students and the Champaign-Urbana community.
- Generated approximately \$2.7K in revenue and \$1K+ in profit during a 30-hour Valentine's Day campaign, with a 71% inquiry-to-purchase conversion rate.

Hennecke GmbH | Sankt Augustin, Germany

Rotational Intern | Jul 2025 - Aug 2025

- Rotated across engineering, production, R&D, sales, and ESG in polyurethane-processing technologies and business operations.
- Supported precision testing, machining, CNC operations, circuit assembly, predictive maintenance, and modular line expansion.

UBS Leadership Excellence and Development Series (LEADS) | Hong Kong, China

Event Host | Jun 2024

- Emceed and coordinated the 2024 UBS LEADS Graduation Ceremony for 300+ executives, regional directors, and students.
- Facilitated discussions on entrepreneurship, strategy, and business management.

RESEARCH & ENGINEERING

AI Data for Autism Spectrum Disorder Research - UIUC | Illinois, U.S.

Paid Data Analyst | Oct 2024 - May 2025

- Analyzed 10,000+ video frames of children's gaze patterns and processed datasets in CVAT for AI model training.
- Supported ASD-severity classification and early-detection research through behavioral modeling and topography techniques.

Computer Network Information Center - Chinese Academy of Sciences | Beijing, China

Research Intern | Jun 2025 - Jul 2025

- Built a relational SQL database linking professors, papers, and institutions; processed survey data for government trend analysis.
- Automated annual reporting for 107 institutes with Python and HTML/CSS, and developed a PDF comparison tool for contract auditing.

Gazzola Lab - University of Illinois Urbana-Champaign | Illinois, U.S.

Researcher | Advanced Molds for Soft Robotic Structures | Sep 2024 - May 2025

- Designed and fabricated molds for air-pressure-driven soft robotic actuators.
- Optimized robotic-finger functionality and control while exploring more flexible, dexterous actuator geometries.

SELECTED HONORS

Google Certification, Fundamentals of Project Management | 2025

Training in project planning, stakeholder management, risk management, and Agile methodologies.

TECHNICAL SKILLS

Programming & Data: Python, SQL, Java, C++, data automation, relational databases

Engineering: SolidWorks, Fusion 360, Arduino, CNC machining, 3D printing, electronics prototyping

Languages: English, Chinese, Taiwanese
